

Below are just some of the video classes you will find on these two sites.  
Click on any class below for more information or to enroll.

For just \$29 a month, you will receive access to more than 50 hours  
of sensuous lovemaking skills from the best teachers in the world.

**Classes from OrgasmicYoga.com:**

**Joy of Thrusting**

Modern men have lost a lot of fluidity in their hips. American men are especially notorious for the immobility of their hips. Where can men learn to move from rigid grinding to graceful pelvic thrusting. In this class Philip Deal demonstrates more than twenty different thrusting practices and positions making use of a Fleshlight.

**Masturbation Engineering**

Bruce Grether and Blue Tyger's "Nine Golden Keys to Mindful Masturbation" offers men clear and simple instructions to escape from habit and enjoy the healthy benefits of embodied masturbation.

**Solo Rope Bondage**

Orgasmic Yoga involving Japanese-style inspired rope bondage and other styles of rope play can be both fun and erotic. If you are not experienced with rope, we recommend not playing with rope by yourself. Some warnings: Never use a gag in your solo sessions. Never tie yourself to something immovable and never combine solo rope bondage with alcohol.

## Poetry in Practice

Poet Letta Neely begins slow and easy, caressing her whole body. "Learn your body," she says in her soundtrack poem. As her session evolves, she focuses more on arousal and excitement. Her message to us all as we masturbate, "Liberate yourself."

## Embodied Porn Watching

The foundational practice of Embodied Porn Watching is quite simple: Stand up and move while you watch. This shift from almost motionless sex to moving during masturbation allows you to enjoy your arousal, break old habits and explore new ways of being sexual. In seven different classes, you can explore a variety of easy-to-learn practices involving movement, breathing, touch and placement of attention.

## Palm Springs Tantric Yoga

Loren invites you to practice along with him during this Tantric Yoga class in Palm Springs. The practices you will learn promote sexual freedom and vibrant health. Loren is a Taositi teacher in Mantak Chia tradition, weaving together sexuality and spirituality.

## Sexual Kung Fu

A Chinese form of Orgasmic Yoga, Sexual Kung Fu is the skillful practice of sex. Kung means practice and Fu is skill. Practice consists of cultivating high levels of energy through the systematic process of arousal. Tools of breathing and mindfulness are then utilized to circulate that energy throughout the body and brain.

## Female Genital Massage

Annie Sprinkle promises that with this massage video, you can satisfy a woman to her core ... every time! In Fire in the Valley, you will learn from three erotically-gifted women as they receive thirty different erotic massage strokes on their erectile tissues - including the clitoris, labia, g-spot and vagina.

## Male Genital Massage

This is the ultimate hand job lesson, providing live-action instruction on how to pleasure a man's penis. Learn the joys of giving and receiving thirty genital massage strokes that often produce a transformative full-bodied orgasm. Includes instruction on the Big Draw, a pleasurable alternative to ejaculation.

## Uranus: Self Anal Massage

Anal pleasure and health are important frontiers to be explored by all men. Watch and learn self rosebud massage, enlightened prostate massage, and simultaneous anal and genital stimulation. Discover the best positions, toys and dildos to maximize your relaxation and pleasure.

## Divine Nectar: Exploring Female Ejaculation

Learn from six erotically-gifted women who share with us their personal stories and explicit demonstrations of female ejaculation. Most women have the capacity for the ejaculation experience. With this visionary class you can awaken that capacity.

## Healing Sex

Somatic teacher Staci Haines, author of *Healing Sex: A Mind-Body Approach* and the best-selling, *Politics of Trauma*, offers this video training in *Healing Sexual Abuse*. The teaching is not just for survivors of sexual abuse. Psychotherapists, sex coaches, tantra teachers, and somatic practitioners of all sorts and their clients will benefit from these body-based practices for healing.

### Classes from Erotic Massage:

## Soft Cock Erotic Massage: Sensuous Lessons for the Orgasmic Man

Why have so few men experienced the wonders of soft cock erotic massage? Skilled erotic bodyworkers offer you a master class in giving and receiving more than twenty ways to touch a soft penis. Take your man into orgasmic bliss with easy to learn erotic massage skills.

## Oral Sex for Couples, Fabulous Fellatio

One of the world's best sex educators, Jaiya, offers the ultimate in blow job lessons. Fellate your lover and bring yourself full body pleasure using simple and intimate techniques. Invaluable for new couples seeking more sensual lovemaking and for older couples looking to spark their sex life.

## Oral Sex for Couples, Connected Cunnilingus

Jaiya takes you on a journey beyond mundane oral sex into delightful choreographies that integrate the mouth and hands. The author of *Blow Each Other Away* is the leading sexologist teaching couples the art of cunnilingus.

## The Best of Vulva Massage

Bringing the best of sixteen different erotic massage videos, this anthology offers the full spectrum of vulva touch: lovemaking with a partner, self-loving, ritual healing, genital therapy, sex coaching, female ejaculation and good old-fashioned pleasuring with Betty Dodson, Jaiya, Annie Sprinkle and more.

## The Best of Penis Massage

Learn how to massage the penis from playful, creative men and women liberated from sexual habit. Includes: lovemaking with a partner, masturbation, erotic initiation, sex coaching, exploring altered states, and good old-fashioned pleasuring.

## Anal Massage on a Woman

Explore the pleasures of anal eroticism. Learn the art of giving an external anal massage, of penetrating gracefully and of totaling eliminating anal pain. These anal massage lessons instruct you in giving a woman simultaneous genital and anal stimulation.

## Anal Massage on a Man

Explore the pleasures of anal eroticism, including how to contact the prostate: the male G spot. Learn the art of giving an external anal massage, penetrating gracefully, and replacing negative feelings and attitudes toward the anus and rectum with positive ones. These pleasures are not just for gay men.

## Genital Massage for Men

Three erotically-gifted women caress their male lovers deep into non-ordinary erotic states and create new pleasure patterns in their bodies. The masseuses demonstrate twenty ways to touch the male genitals. Jaiya shows us how to delay ejaculation and prolong pleasure.

## femme à femme - Erotic Massage

Five sensuous women teach us a Swedish, Esalen and Tantric style massage for the female body. The strokes you will learn are gentle, flowing, and nurturing. This massage approaches the whole body as an erogenous zone. This massage feels great on both female and male bodies.

## Lovers getting started with Erotic Massage

Destin and Anastasia offer you a class in how they brought erotic massage into their relationship. They share with you the happy challenges that arise through this practice. Destin and Anastasia demonstrate their favorite cock and vulva massage strokes.

## Sexological Bodywork- Sessions

Certified Sexological Bodyworkers are professional somatic sex educators who teach through body-based exercises and experiences. Sexological Bodywork sessions can have a variety of intentions and expressions. In the videos here, you will see sessions where the goal is sustained sexual arousal involving movement and conscious breathing. Another demonstrates working with gender non-conforming bodies. In all of these sessions, you will see how constant communication is extremely important.

## Mapping-Placement of Attention

Anal and Vaginal Mapping are contemplative touch practices that bring awareness and sensation to the tissues of the anus and vagina. This practice helps us to train our placement of attention. Mapping involves applying finger pressure in a focused, structured way to specific points on the body. Every move of the mapper's finger is guided by the receiver. How long a point is held and with how much pressure is decided by the receiver in each moment.

Dear Affiliates,

Below are the affiliate URLs that go with each of the classes above. Be sure to place your seven-digit CCBill affiliate code in every hyperlink, replacing the seven X's. You will find JPEGs for each of the class graphics here. Any text you use will be Google searchable - and will bring more traffic to your website. You can also promote yourself in various video descriptions with statements like, "I offer this type of bodywork in my private practice."
